

Would you like to provide altar flowers?

Flowers on the altar each week are given to the glory of God.

Anyone can provide the flowers, and they can be for many occasions—in memory of someone, in honor of someone, such as a birthday, anniversary, retirement, etc. They could also be “just because”. On the Sundays when no one has signed up, the flowers are paid for by the church.

Flowers can be from wherever you wish to get them. We just ask that it be one vase only.

There is a sign-up sheet in the entrance hall on the bulletin board to the right of the fire extinguisher. Put the name of the person(s) being honored and the name(s) of those giving the flowers.

If you want Kathy Mathews (flower coordinator) to order flowers for you from Doebel's (cost \$35), sign up on the date you want and call Kathy at 419-547-9506. Your flowers can be paid for by placing the money in the offering place (marked for flowers) or mailed to the church.

If you are interested in helping to distribute the flowers paid for by the church, see or call Kathy.
